July 2019

Dear Community Partner,

Three core initiatives will drive our 3rd and 4th quarters of 2019:

- I. Domestic Violence Awareness/Prevention
- II. Health & Wellness
- III. Bridging the gap between Mental Health and Ministry

Matched with your organizations mission, we stand in agreement that this partnership is vital to the ongoing healing of those we serve. It is through our activities, and continued contributions from establishments such as (**name of organization**) that we will continue towards successful prevention and awareness, as well as healing beyond these challenges.

PAYNE & Glory, Inc. is a Georgia community & faith-based Nonprofit Organization, structured to empower, motivate, inspire and educate individuals towards purposeful and 'purpose-filled' success in varying aspects of their lives. We've placed special emphasis on the initiatives stated above.
